If you do withdraw, FD will refund all payments received in relation to the order, without undue delay, and, in all events, no later than fourteen days from the day on which FD is notified of your decision to withdraw the order. FD shall pay the refund via the same method of payment used by you for the initial transaction, unless you expressly agree to another method; in any event, the refund shall not give rise to any costs for you. If you would like to avail yourself of the service before the end of the 14-day period, you must submit a specific request to FD and you shall, if in the end you decide to withdraw, be liable for payment of an amount equal to the service provided by FD up to the date on which your decision to withdraw was expressed. The amount is calculated as a pro rata of the total price of the order.
